

### **Part time or Full time Fee for Service Clinician**

Cutchins Programs for Children & Families is looking for a licensed Clinician, to provide therapeutic services at our Children's Clinic. An opportunity to be part of a small and dedicated team with manageable productivity requirements. The Children's Clinic offers dynamic and innovative approaches toward the treatment of trauma, mood disorders, attention and developmental disorders, maintaining focus on deep clinical work. Supervision, training, consultation and peer support provided to all Clinicians on our team. Low staff turnover rate and consistent referrals. Located in downtown Northampton in a lovely location, perfect for supplementing private practice.

#### **Responsibilities include:**

- Provide outpatient therapy, treatment planning, and assessments to children, adolescents and families.
- Support each family with competence and care that meets their needs as you are best able.
- Complete all required documentation for each case, as required by the agency and/or insurers.
- Collaborate with and support other Children's Clinic team members and outside providers
- Other responsibilities as assigned.

**Successful candidate(s)** will be positive, enthusiastic, patient, flexible, and creative. Must have clinical experience with children, adolescents, and families and familiarity with trauma informed models of treatment in an outpatient setting. Must have experience working with culturally diverse populations and have a positive attitude with excellent communication, clinical and organizational skills, and personal values. Basic computer fluency required. Must maintain licensure and all trainings appropriate to field. Master's degree required; LICSW/LHMC preferred. Bilingual and candidates of diverse backgrounds are encouraged to apply. Employment is contingent upon an appropriate background check and driving record.
