

Statement of Mid Cycle Review Notification / Availability

The following steps are being made to make the New Directions Mid-Cycle Review report available to the following stake holders:

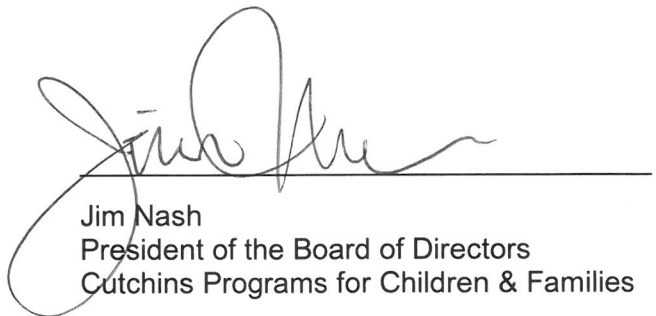

Staff: The Mid-Cycle Review report has been placed in the staff google classroom, as well as, on the agency / school website.

Parent groups: The results of the Mid-Cycle Review report were announced in the New Directions May Newsletter to parents and families. The report will be made available for their review on the agency/school website.

General public: The results and report of the Mid-Cycle Review report will be made available to the general public by positing the report on the agency / school website.
