

Medication Administration Specialist

Cutchins Programs for Children & Families seeks a part-time (20 hr./wk.) Medication Administration Program (MAP) Specialist to implement and oversee the essential functions of the Medication Administration Program for residential programming on our Northampton campus. The goal of the Medication Administration Program (MAP) Specialist is to provide additional support and monitoring to MAP certified staff, and MAP monitor, in order to address the distinct needs and challenges presented in administering medication(s).

The successful Medication Administration Specialist candidate will be positive, enthusiastic, patient, flexible, and creative. Must have experience working with diverse populations and have a positive attitude with strong communications skills and personal values. Must be MAP certified and maintain all trainings appropriate to field, including CPR, & First Aid, & possess a commitment to personal/professional growth. Candidates must be 21 or over, have an Associate's degree, and a valid Massachusetts driver's license. 1+ years experience in a residential program or similar setting preferred. Employment is contingent upon an appropriate background check and driving record.

To Apply: Please send cover letter, resume and three professional references to lsklba@cutchins.org, or mail to Cutchins Programs for Children & Families Inc., 78 Pomeroy Terrace, Northampton, MA 01060, Attn: HR-MAPSPC. www.cutchins.org AA/EOE.

Cutchins Programs for Children & Families has over 40 years of providing uncompromising care not easily found in today's health care environment. Our residential, outpatient, and special education services provide children and families struggling with the effects of trauma and mental illness in a sanctuary of safety and love.
