

Nurse Coordinator (RN)

Cutchins Programs for Children & Families is currently seeking a year round **Nurse Coordinator (RN)** for our residential and day school treatment program located in Northampton serving boys and girls ages 8-19 with emotional and behavioral challenges. We seek an experienced, team player with in-depth knowledge of nursing practices in a school & residential environment.

Registered Nurse Responsibilities include, but are not limited to:

- Direct assessment and treatment
- Coordination of client health care
- Staff training and supervision
- Policy and procedure development & implementation

The successful Nurse Coordinator (RN) will be positive, outgoing, enthusiastic, patient, flexible, and creative. Must possess strong positive behavior guidance skills and have experience working with diverse populations. Must obtain & maintain all licenses & training appropriate to field & possess a commitment to personal/professional growth. Employment is contingent upon a clear background check. Must have a BA, MA preferred, a valid Massachusetts license as a Registered Nurse, certification or eligible for certification as Massachusetts School Nurse, and be certified DPH-MAP Trainer or eligible for certification. A minimum of two years of employment as a Registered Nurse in a child health, community health, or other relevant clinical nursing setting is required.

Excellent benefits including medical, dental, & vision insurance, flexible spending plan, 403B, plus generous paid time off.

To Apply to the Nurse Coordinator (RN) position: Please send cover letter, resume and three professional references to hrose@cutchins.org, or mail to Cutchins Programs for Children & Families Inc., 78 Pomeroy Terrace, Northampton, MA 01060, Attn: HR-NURSE. www.cutchins.org AA/EOE.

Cutchins Programs for Children & Families has 40 years of providing uncompromising care not easily found in today's health care environment. Our residential, outpatient, and special education services provide children and families struggling with the effects of trauma and mental illness in a sanctuary of safety and love.

Our mission is to help children and families transform significant emotional distress into increased resilience, hope and quality of life. Using clinical sophistication and expertise we incorporate humility, kindness, and passion to create a community of care. We seek to support the healing process with innovation and integrity, and to serve as a model for best and promising practices. Our clinicians, teachers, and staff hold a willingness to look deeply—to learn and to play.
