

Special Education Teacher, Physical Education & Health

Cutchins Programs for Children & Families is currently seeking a part-time (20 hours), year round, motivated Special Education Teacher for grades 3-12, with a Physical Education & Health teaching background. We seek an experienced, creative team player to engage students in physical activity and positive body image while fostering a classroom environment of teamwork and collaboration. The candidate must have the ability to differentiate and modify curriculum to meet a wide range of needs.

The position involves working with others to:

- Follow behavior management and DBT plans,
- Provide input for individual education plans (IEP's),
- Curriculum planning,
- Grading, & quarterly reporting on student performance,
- Communication with parents/guardians and other members of the team, and
- All other tasks identified by the Education Coordinator.

The successful candidate will be positive, outgoing, enthusiastic, patient, flexible, and creative. Must possess strong positive behavior guidance skills and have experience working with diverse populations. Must obtain & maintain all licenses & trainings appropriate to field & possess a commitment to personal/professional growth. All candidates must complete and pass background record screening process. Must have a BA, MA preferred, and have at least one (1) year experience teaching. MA licensed in Special Ed and/or Physical Education general content grades 3-12, preferred. Bilingual candidates are encouraged to apply.

Benefits: Excellent benefits include health, dental, & vision insurance; retirement contributions; generous time off package.

To Apply: Please send cover letter, resume and three professional references hrose@cutchins.org or mail to Cutchins Programs for Children & Families Inc., 78 Pomeroy Terrace, Northampton, MA 01060, Attn: Human Resources-MATH. www.cutchins.org AA/EOE.

Cutchins Programs for Children & Families has over 40 years of providing uncompromising care not easily found in today's health care environment. Our residential, outpatient, and special education services provide children and families struggling with the effects of trauma and mental illness in a sanctuary of safety and love.

Our mission is to help children and families transform significant emotional distress into increased resilience, hope and quality of life. Using clinical sophistication and expertise we incorporate humility, kindness, and passion to create a community of care. We seek to support the healing process with innovation and integrity, and to serve as a model for best and

promising practices. Our clinicians, teachers, and staff hold a willingness to look deeply to learn and to play.
