Cutchins Programs for Children & Families has 40 years of providing uncompromising care not easily found in today's health care environment. Our residential, outpatient, and special education services provide children and families struggling with the effects of trauma and mental illness in a sanctuary of safety and love.

Our mission is to help children and families transform significant emotional distress into increased resilience, hope and quality of life. Using clinical sophistication and expertise we incorporate humility, kindness, and passion to create a community of care. We seek to support the healing process with innovation and integrity, and to serve as a model for best and promising practices. Our clinicians, teachers, and staff hold a willingness to look deeply—to learn and to play.
